

BURRITO FIESTA

Authentic Flavors • Fresh Ingredients • Fiesta Vibes

Born from a family recipe passed down three generations,
Burrito Fiesta started as a tiny roadside stand in 2005.

We believe every burrito should tell a story — of sun-ripened
tomatoes, slow-cooked beans, and hand-pressed tortillas.

Today, we serve bold, authentic Mexican flavors across
3 locations, with fast service and a passion for great food.
